

The La Salle & Area Chamber of Commerce serves as a voice for the local and area business community. Our mandate is to promote our members and to help our community grow and be a better place to live, work and do business in.

The local chapter originated in 1990, but has since lapsed in recent years. It is our endeavor to recapture the spirit of the local chamber and flourish the growth of business and community development.

WHY SHOULD YOU BECOME A CHAMBER MEMBER?

COMMUNITY ADVERTISING/BUSINESS DIRECTORY

Chamber members are promoted through the publishing of an annual Business/Trade Directory that is distributed to all homes and business's in the La Salle and surrounding areas.

The Chamber will also be developing a website that will profile member business's as well as provide useful links to local organizations and other community affairs.

The Chamber is considering developing a "Welcome Package" for all new residents moving into our community which can include special offers or coupons relating to our member's services.

A STRONG VOICE FOR OUR COMMUNITY

The Chamber Board will be lobbying local and provincial elected officials to ensure our community gets it's fair share of available funding in order to improve our community so that we may attract more new family's and more new commerce to our town and surrounding areas.

NETWORKING

Increase your business potential and profile in our community by expanding your business's network. The Chamber promotes your business in our community and surrounding areas. An annual Trade Show will also be held so members can promote their business.

GROUP INSURANCE/BENEFITS PROGRAM

Even your small business can offer the benefits of group life insurance including dental coverage and prescription drugs by utilizing the buying power of the entire Manitoba Chamber members. See (www.mbchamber.mb.ca/benefits)
